

Tell Me a Story...

Community Mennonite Church
Summer 2010

The Bible is full of stories that continue to provoke faithfulness in our times, even though our cultural sensibilities are different from the ancient world in which these stories were first told. This summer we'll hear some great stories from the Old Testament, some of which we haven't revisited for years. The Bible is more than a collection of stories, but re-reading individual stories in the light of Christ will help us hear and heed God's Word for us today. God's Word comes to us most clearly in Jesus Christ, so we'll begin this worship series with the upside down wisdom of Jesus that whose life story included washing his disciples' feet. Then we'll return to some of the stories he grew up on.
